

ProtectaFlex Detect Threaded PTFE fittings

Threaded PTFE fittings for PTFE pipe

We recommend to connect ProtectaFlex Detect solution exclusively with the fittings specified. The use of unauthorized and different components may compromise the system warranty.

BSP threaded PTFE fittings are available for all sizes for on-site installation using a steel collar.

Reference	OD - A x B	C	ID (mm)	D	E	F	Inner pipe material
PFXAFT063050	6,3 x 1/2"	25	3,5	20	15	30	PTFE
PFXAFT100050	10 x 1/2"	30	6,5	20	15	30	PTFE
