

RVOAM – Sediment strainer DN 15:100

Sediment strainer with steel core backing ring , PP/FRP coated, drilled ANSI B16.5 cl.150 #FF.

The RV Sediment strainer limits the passage of any solid particles present in the fluid by means of a strainer.

- Connection system for weld, threaded and flanged joints
- **Strainer** assembled on an **easily removed support** that facilitates cleaning or replacement
- **Valve material compatibility** (PP-H) with water conveyance, drinking water and other food substances according to **current regulations**
- Can be maintained with the valve body installed
