

RVUAT - Sediment strainer DN 10:100

PVC-U transparent.

Sediment strainer with female union ends for solvent welding, series ASTM.

The RV Sediment strainer limits the passage of any solid particles present in the fluid by means of a strainer.

- Connection system for solvent weld, threaded and flanged joints
- **Strainer** mounted on an easily removed **support** that facilitates the cleaning or replacement
- **Valve material compatibility** (PVC-U) with water conveyance, drinking water and other food substances according to **current regulations**
- Can be maintained with the valve body installed
